

# DISABILITY AND INCLUSION PROCEDURES

## Evidence Requirements

- 7.1 In order for specialist support to be put in place, students must provide supporting evidence to DIS which details the impact of the disability, physical or mental health condition on the student's ability to access their course.
- 7.2 The evidence must be provided to DIS. Any evidence received by any other part of the University must be passed to DIS without delay.
- 7.3 Some examples of acceptable types of evidence may include:
- x Medical or Diagnostic Needs Assessment reports
  - x Evidence of regularly prescribed medication
  - x Care plans, support plans or similar documents from previous education providers outlining adjustments made
  - x Questionnaires completed by students, or supported to do so by a DIS Advisor, detailing the impact of the condition and any adjustments they have previously had that have been useful
  - x Notes made by a member of DIS following conversations or meetings with a student
  - x An Accessible Digital Passport such as the DWP Access to Work Adjustment Passport or AXS Passport.

This list is not exhaustive and will vary on a case-by-case basis depending on the nature of the condition, the student's course and location of study.

- 7.4 In addition to evidence provided by the student, DIS will also refer to Course

# Disability

10.7 If funding is not agreed, the student can request that their case be referred to a Disability Review Panel in line with section 15 of the Disability and Inclusion Policy.

### **Disability Review Panel**

11.1 A Disability Review Panel (DRP) will be convened in the following cases:

- x A requested adjustment compromises the learning outcomes or competency standards of the course; and / or
- x A requested adjustment would compromise
